### Project Overview

This project was installed on the roof of a Raymour and Flanigan Furniture Company Distribution Center located in southern New Jersey. The facility warehouses inventory for dozens of stores across the Northeast. Nautilus provided and financed the system through a 15-year Power Purchase Agreement. The system was installed at no cost to Raymour, who will save approximately \$150,000 annually on their electricity bills.

### About Nautilus Solar

Founded in 2006, Nautilus Solar Energy, headquartered in Summit, N.J. is a leading full service solutions provider for business and public sector customers across North America. Nautilus is making solar possible by developing, funding, executing and managing the physical and financial aspects of distributed generation solar electric projects. The company delivers full service financial and technical expertise by customizing the optimal solar solution to save customers money while helping them meet their sustainability goals. Nautilus has been involved in over 100 MW—both distributed and grid tied systems—of solar solutions in the United States and Canada. Nautilus is minority owned by Virgo Investment Group LLC and its affiliates, based in Redwood Shores, California. For more information, visit [www.nautilussolar.com](http://www.nautilussolar.com).
